When it comes to having a delicious appetizing gourmet meal, *Nobody can do it as the*

*Beavers* can. After 4th period, students rush down the stairs smelling the aroma created by those fabulous cooks of Weaver High.

**WEAVER**

Various groups and clubs in our school, such as the Japanese Exchange Program and the Wise Travel Scholarship winners, Richard Benjamin and Neville Alleyne, traveled extensively throughout the summer. Other Beavers are always on the move traveling on bicycles and double decker buses. While the Weaver Dance Company spent two weeks in France and England, the Marching Band traveled to New York City to march in a parade. The Concert Choir sang at Convalescent Homes in Bloomfield and the Mt. Laurel School. *Nobody can move it as the Beavers can!*

# Nobody can do as the Beavers

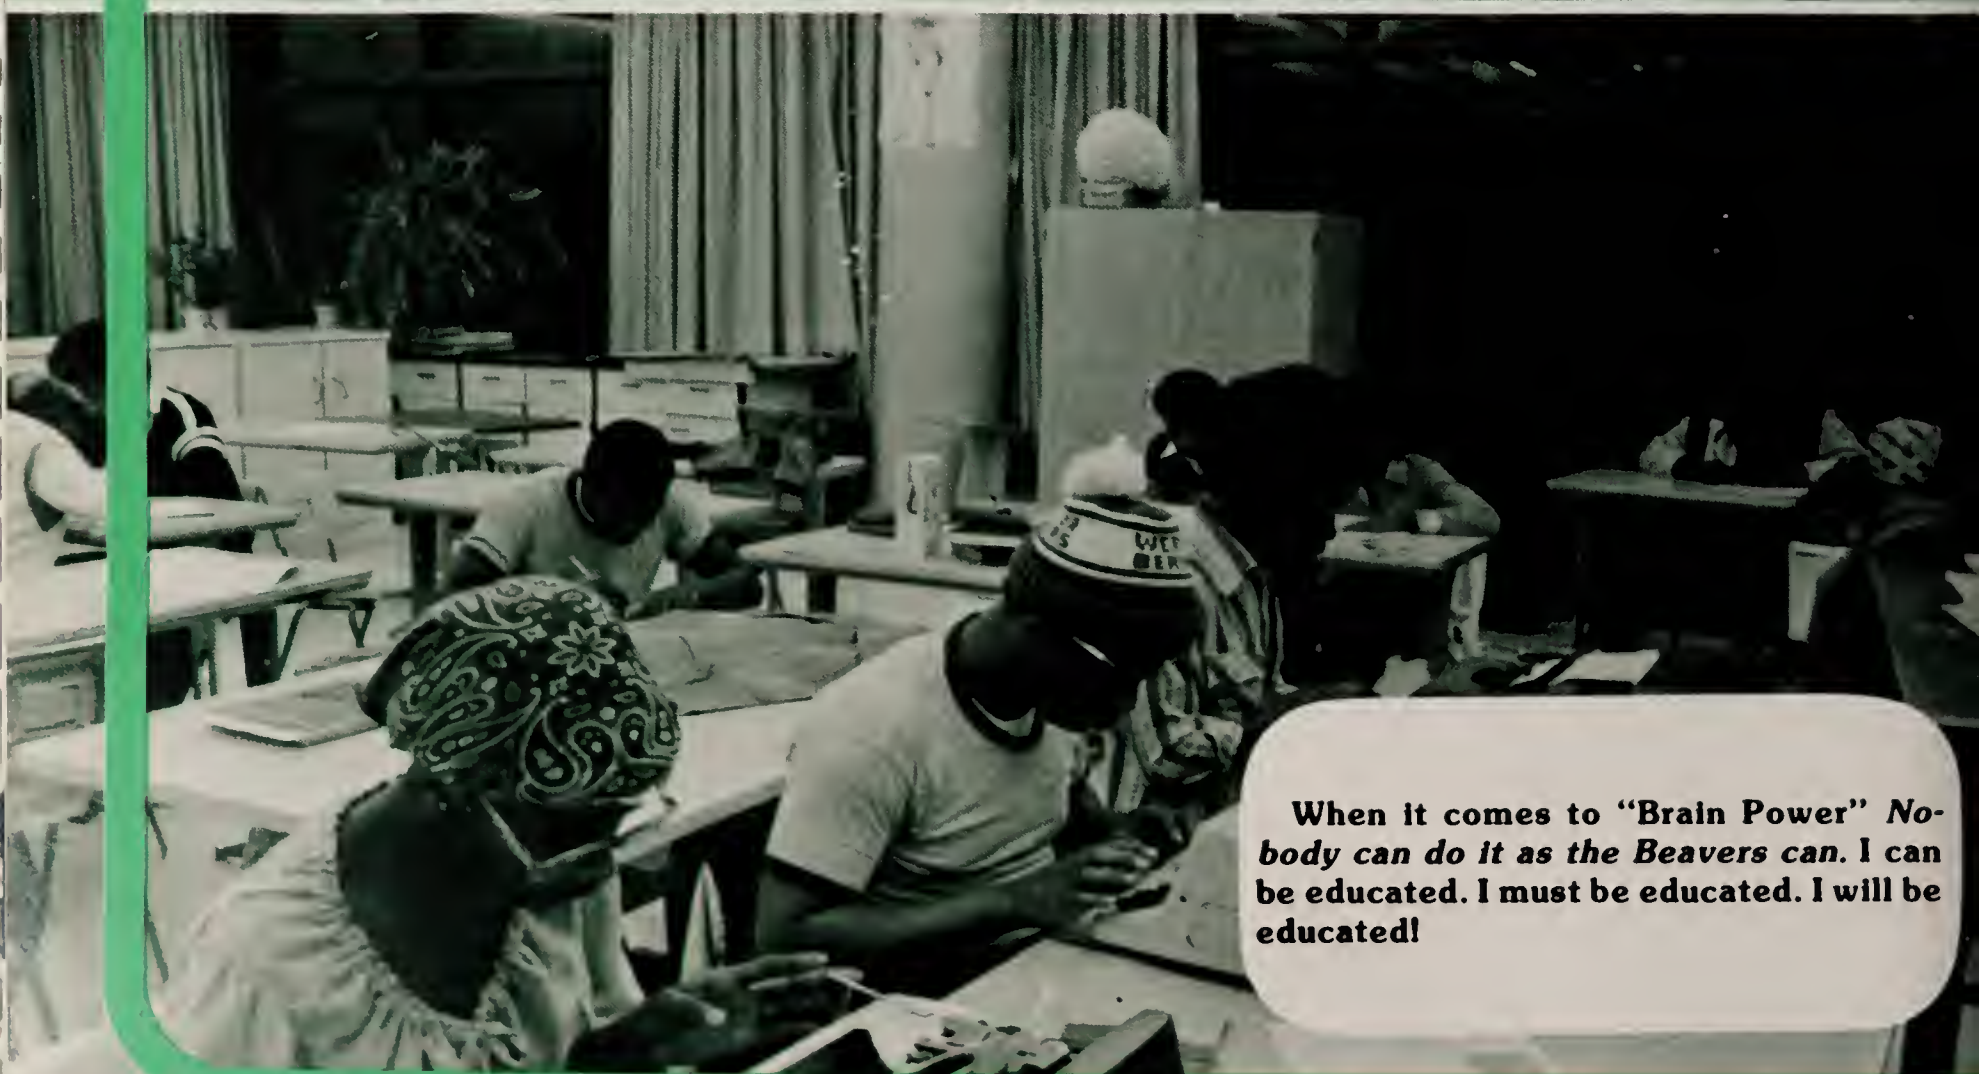

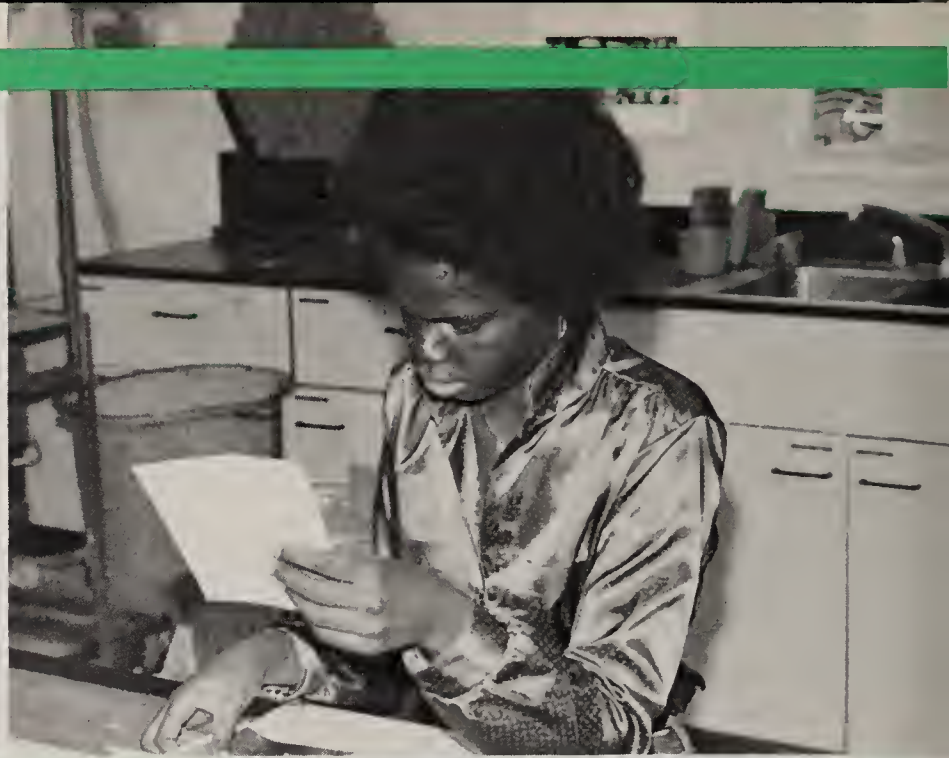

# it can.

*Nobody can do it as the Beavers can. Nobody else in this Weaver land. We start with real nice people, like we know we should, thirty-two different people make Weaver looking so good, so good about Weaver High School. We're the reason we do it, nobody can do it as the Beavers can.*

When it comes to "Brain Power" *No-*  
*body can do it as the Beavers can. I can*  
*be educated. I must be educated. I will be*  
*educated!*

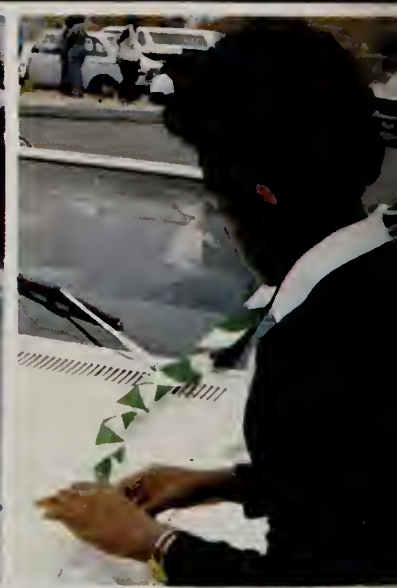

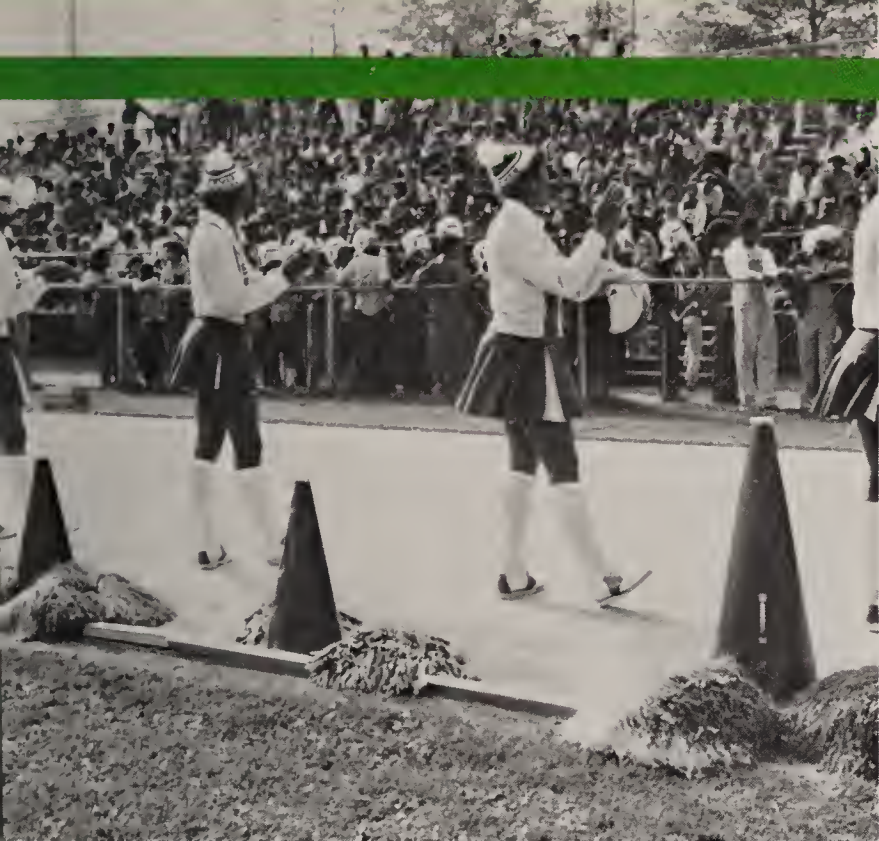

Weaver High school is the first and only high school in Hartford to have a radio station. We're operating on 89.9mhz, on the Fm dial. Mr. Roosevelt Cooper is the Mass Communication teacher and is responsible for the success of the station. The station has been in operation for 6 years. Last year we captured over 60% of the Hartford audience.

When it comes to Homecoming, *Nobody can do it as the Beavers can.* After the bonfire and disco the students awaken and march through the streets of Hartford representing various clubs, sports, and Mr. and Mrs. Weaver. Back at Weaver, everyone waits patiently for the Beavers to defeat Lee. The game lasts 30 seconds too long.

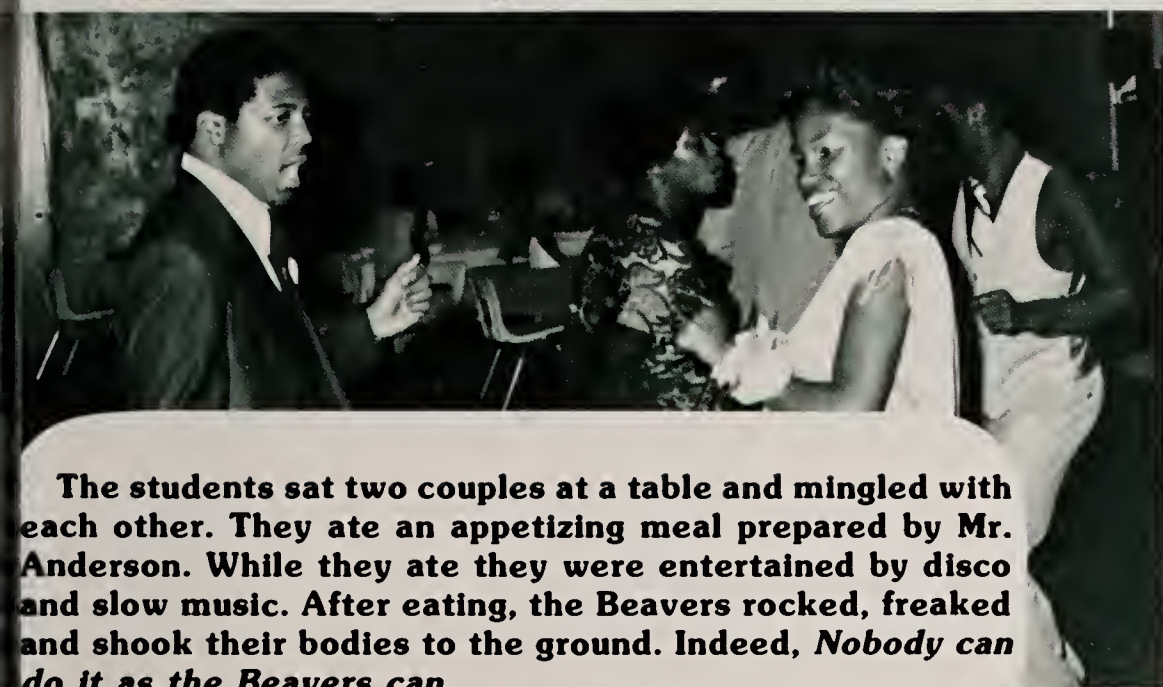

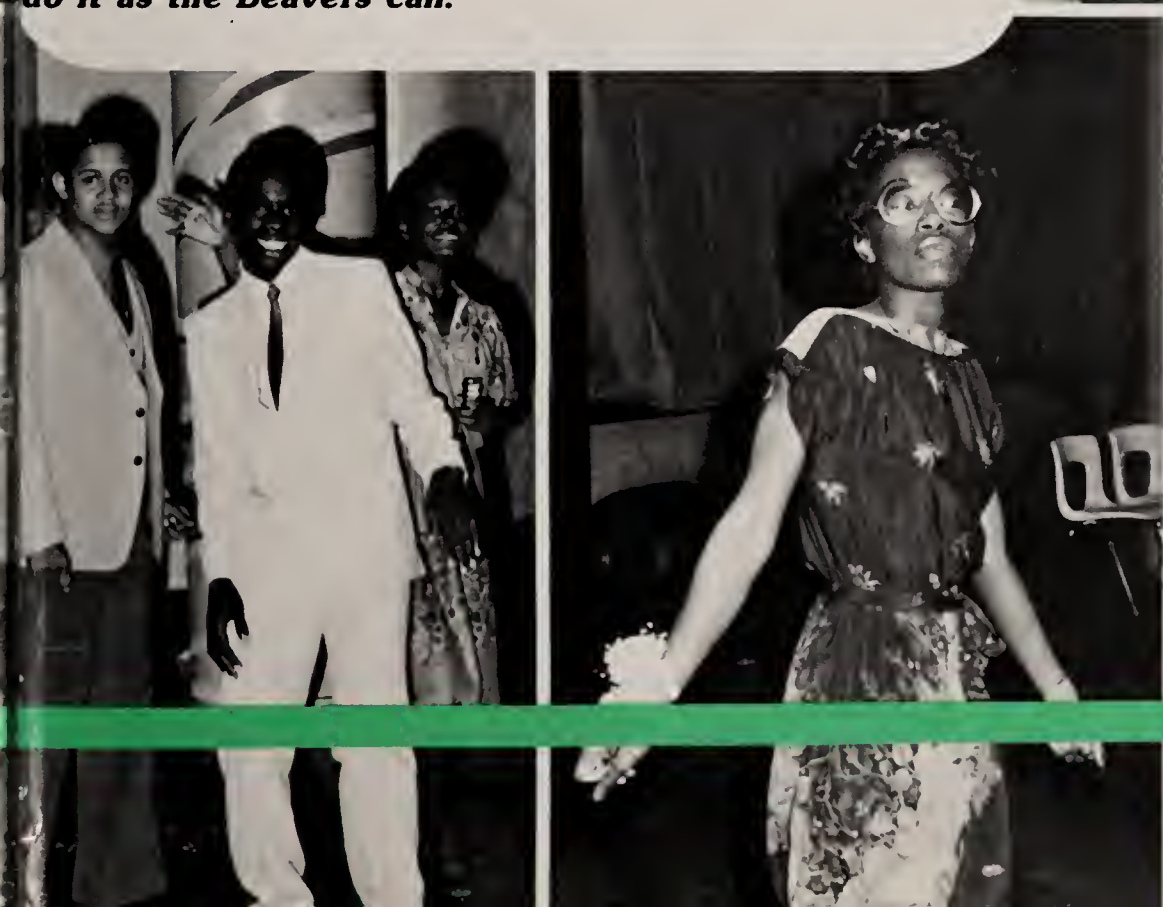

**Weaver's Junior Prom was attended by beautiful coordinated couples. Some students cruised in their mom's and dad's cars with their dates. The couples stepped out of their cars eager to "enjoy the night away". Once inside, the students were astonished by the beautiful decorations.**

The students sat two couples at a table and mingled with each other. They ate an appetizing meal prepared by Mr. Anderson. While they ate they were entertained by disco and slow music. After eating, the Beavers rocked, freaked and shook their bodies to the ground. Indeed, *Nobody can do it as the Beavers can.*

## Cross Country

The Boy's Team came through and had the best won/lost record of any previous team at Weaver. They finished with a record of 16 & 2. The J.V. extended their undefeated string making a five year total of 60 & 0. Eight boys made the All Conference Team Four first team and four honorable mention. One boy qualified for All State Meets and finished well in the State Open.

The young, but coachable, Girls' Team made exceptional progress. They finished better than last year in the State Meet. The course and school records were broken more than once. The frosting on the cake, though, was their phenomenal finish in the All Conference Meet. We placed six girls on the All Conference Team, three first team and three honorable mention. This was also a first for Weaver Cross Country.

**TEAM MEMBERS:** Left to Right: Jasmin Walker, Coach Butterfield, Sonia Allen, Gaynell Mathis, 2nd row Ivan Rodriguez, Gillian Wolliston, Pat Bailey, Stephanie Linton, Denise Llewellyn, Jackie Da Costa, Rebecca Wells, Linett White, 3rd row Robert Black, Jose Vargas, Andre Carter, Kadian Hall, Michael Lee, Darryl Williams, Shawn Bell, Jeffry Johnson, Eric Grant, David Ortiz, Anthony Adams, Gladstone Devonish.

## Cheerleaders

This year's cheerleaders remained faithful, inspite of our teams' ups and downs. The cheerleaders cheer for only two of the Weaver teams, which are basketball and football. I myself want to thank the cheerleaders for all their support during the cold football season. During the basketball season I've noticed how skilled and flexible our girls are. They show a lof of talent and imagination. I just want them to know that their efforts are greatly **APPRECIATED.**

**Ms. Oliver  
And  
Mrs. McCaskill**

Figure it out for yourself,  
 You've all that the greatest have had  
 Two arms, two hands, two legs, two eyes,  
 And a brain to use if you would be wise,  
 With this equipment they all began ---  
 So start from the top and say, "I can."

Look them over, the wise and great,  
 They take their food from a common plate,  
 And similar knives and forks they use,  
 And with similar laces they tie their shoes;  
 The world considers them brave and smart,  
 But you've all they had when they made their start.

You are the handicap you must face,  
 you are the one who must choose your place.  
 You must say where you want to go,  
 How much you will study the truth to know;  
 God has equipped you for life, but He  
 Lets you decide what you want to be.

Courage must come from the soul within  
 You must furnish the will to win.  
 So figure it out for yourself,  
 You were born with all that the great have had;  
 With your equipment they all began,  
 Get hold of yourself and say, "I can."

#### A DAY WORTHWHILE

I count that day as wisely  
spent

In which I do some good  
For someone who is far  
away

Or shares my  
neighborhood.

A day devoted to the deed  
That lends a helping hand  
And demonstrates a  
willingness

To care and understand.  
I long to be of usefulness  
In little ways and large

Without a selfish motive  
And without the slightest  
charge.

Because in my philosophy  
There never is a doubt  
That all of us here on earth  
Must help each other out.

I feel that day is fruitful  
And the time is worth the  
while

When I promote the  
happiness  
Of one enduring smile.
